Semi-commercial flight operation process

Airlines

Airlines must provide the following information to traveller:
1. **Thailand's travel requirement**
2. **Categories of permitted person to enter Thailand and required documents** for each category according to the Order of the Centre for the Administration of the Situation due to the Outbreak of the Communicable Disease Coronavirus (COVID-19) No. 8/2563 Issued on 31 July B.E. 2563 (2020)

Airlines issue a flight ticket to travellers

Airlines, travel agencies, and ASQ hotels can check eligibility of trvellers at
https://coethailand.mfa.go.th/regis/airs

At check-in counter, airlines check required travel documents (as attached checklist)

Traveller

Traveller should plan a trip in advance (at least 7 working days) **and register for COE application at** https://coethailand.mfa.go.th

After application has been pre-approved, traveller should **buy air ticket and book ASQ hotel**

Traveller **provides flight detail, plane ticket, ASQ booking confirmation on arrival date and upload** the above-mentioned documents **into the registration system within 15 days**

When COE is granted, traveller **prepares COE, health/ medical certificates and other required documents to present at airlines' check-in counter** on departure day

Non-Thai
- Fit to fly health certificate
- Medical certificate with a laboratory result indicating that COVID - 19 is not detected (RT-PCR method)

Thai
- Fit to fly health certificate

Thai Embassy/ Consulate-General

Embassy/consulate **check required documents and pre-approved** COE application within 3 working days

Embassy/consulate **check flight detail, air ticket and ASQ booking confirmation and issue COE** to travellers within 3 working days

Report COE issuance to MFA to coordinate with relevant agencies
