It is necessary that all passengers coming from these destinations, do not go to any other destination within Brazil.

By order issued by the official letter on the date of 08/14/2021, passengers coming from --- must comply with quarantine for 15 days at the first disembarkation point in Brazil.

Therefore, according to the decision, airlines must prevent the vijant from boarding a new flight destined for another location.

Finally, Anvisa notifies us that failure to send travelers pursuant to this letter, or permission to board travelers to other Brazilian territories, constitutes non-compliance with articles 0 and 25 of the 2008 RDC, and the violator is subject to foreseen sanitary sanctions in law 6437.
